## MEMORANDUM

**TO:** Chairman Appelle  
Venice Housing Authority

**FROM:** THA Review Team  
Tampa Housing Authority

**SUBJ:** Venice Housing Authority ED selection process

**DATE:** March 20, 2006

---

**Jerome D. Ryans**  
President/CEO

Based on our continuing review of the Venice Housing Authority, we respectfully suggest the VHA place its interview and selection process for a new executive director on hold for the foreseeable future.

With the upcoming demolition/disposition project as well as the cash restraints that the VHA currently faces, we believe it to be in VHA's best interest to postpone this process.

THA will continue to review VHA's financials and ensure that due dates for HUD or others are adhered to until such time it is warranted to rehire an executive director

We welcome any questions or requests of us based on our suggestion.
