Ms. Julie Williams

Dear Julie,

Thank you for your application for the City of Venice Police Chief position, received by my office February 11, 2011.

We started advertising for this position in early January, 2011 and had planned to keep the application window open for a month. However, due to the very high volume of applications received, we decided to close the application window on January 24, 2011. Since that time we have received several applications and have not accepted them due to the fact that the application window is now closed. If we were to accept your application now, we would have to go back and re-contact those candidates; a step we do not propose to take since we are now mid-stream in the next step of the selection process.

Thank you for your continued interest in the City of Venice. We wish you the best of luck in your future endeavors.

Sincerely,

Alan Bullock, Director of Administrative Services
